About Housel Bay

Housel Bay is an outpost amidst the rugged wilderness of Lizard Point. Perched on nature's edge, at the UK's most southerly point.

Become immersed in the beautifully dramatic and wild Lizard Peninsula. Wash off the city. Reconnect with nature. Ramble along coastal paths. Breathe in fresh sea air. Welcome to Housel Bay. A hotel inspired by nature.

This is a place to escape and unwind. We invite you to experience the beauty, history and serenity of the Lizard Peninsula.

ABOUT THE YOGA BATCH

Our Yoga & Wellness weekend will be led by Kate Batchelor from The Yoga Batch.

Kate has been practising yoga for twenty years, eventually turning her passion into her career, training with the British Wheel of Yoga. Kate went on to combine her love of running and yoga, qualifying to teach yoga for athletes and sports. In all Kate's classes the focus is on functional mobility, balancing strength with suppleness, breathing well and the movement of the body with a stillness of mind.

"I first came to yoga for the physical benefits - to get more flexible and tone up. But it was the spiritual side that kept me coming back again and again! I felt better, calmer, happier, more able to deal with what life threw at me and it certainly threw me some curve balls along the way!" Kate Batchelor.

RELAX

Housel Bay Beach.

A beautiful beach located just a few hundred yards below the Hotel gardens. Accessed via a footpath directly from the Hotel gardens, this tidal beach is often only used by the Hotel's guests and a handful of local people from the Lizard Village. At low tide there is plenty of sand. Housel Bay is a family friendly beach.

Lizard Lighthouse.

Take a visit to one of our most iconic features here in The Lizard, The Lizard Lighthouse (you might be able to spot this landmark through your window!).

A perfect opener to your visit here, admire the coast, spot our bay, discover Bumble rock up close, and see the beauty of the historic Lighthouse.

EXPLORE

Kynance Cove.

Located on the west side of the Lizard and probably the most photographed and painted location in Cornwall, the contrast between the cove's white sand beach and the dark red and green serpentine rock produces a breathtaking sight.

Cadgwith Cove.

Cadgwith is one of those Cornish fishing villages that time seems to have passed by. The beach is still very much the centre of the village with a small fleet of crabbing boats winched up on the beach in front of the boat houses. It is one of the most picturesque fishing villages on the Cornish coast.
